PETITION TO WITHDRAW HOLDING OF ABANDONMENT OFFICE OF PETITIONS
PURSUANT TO 37 CFR 1.181

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450
Sir:

In response to the Notice of Abandonment dated 11th December, 2007 (copy attached), Applicant requests withdrawal of the Notice of Abandonment and issue of a patent for the above referenced application.

(1) Payment of the Issue fee was timely transmitted to the Patent and Trademark Office on 14th November 2007. The response was sent via facsimile to telephone number 001-571 273 2885 and included a signed Certificate of Transmission as provided for under 37 CFR 1.8.

(2) An additional copy of the response as filed is attached including a facsimile transmission report.

(3) The transmittal was timely received by the USPTO and is presently on file on Serial No 10/849,802. —

(4) The documents submitted identified the application by Applicant name, Examiner Name, Filing date, Title, Confirmation No, Group Art No. Attorney Docket Number Serial Number and International Application No. as can be seen from the enclosed copy of the transmittal form. Due to an oversight, the Serial No was incorrectly referenced as 10/849,802. All other numbers were correct. In particular, the International Application No. correctly and

uniquely identifies the correct application and it is evident that no other application could have been intended.

It is requested that the transmittal form be corrected to identify the above mentioned application 10/521,361 and that the documents as submitted on 14th November 2007 are removed from file 10/849,802 and placed on the correct file No. 10/521,361. Applicant hereby furthermore petitions for the revival of this application.

In the event that the above first petition is not upheld, Applicant hereby petitions for revival of the application as having been unavoidably abandoned. Payment of the fee for such petition of \$510 and all fees required for issue of a patent are hereby authorized from Deposit Account No. 08-3038. The application was prosecuted with all due care and attention and despite such care, a single omission regarding the correct identification of the Serial Number was overlooked. The omission may be considered as an isolated error in an otherwise well functioning system.

In the event that neither of the above petitions is granted, revival of the application as being unintentionally abandoned is hereby petitioned according to the attached form PTO/SB/64.

Refund of the incorrectly paid issue fee on the file with serial No. 10/849,802 is requested as appropriate.

Any extension of time that may be deemed necessary to further the prosecution of this application is hereby requested. The Commissioner is authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account No. 08-3038, referencing the docket number shown above.

The Examiner is respectfully requested to contact the undersigned by email at owend@howrey.com in order to resolve any questions.

Respectfully submitted,

David P. Owen
